

*"Hot! Hot! Hot! Sputzy was superb. Sputzy made recommendations, urged us to trust his advice and judgement, and then knocked everyone's socks off. We got more compliments on the band than everything else combined."*

— Sandra Bozich/Andy Sacco

*"The Groove Doctors were fabulous! What a perfect compilation of standards and dance music that had the whole crowd, young and old, having a good time on the dance floor. Their sound was awesome. They were professional, courteous and accommodating...We would highly recommend them and Entertainment Unlimited."*

— Rosanne and Randy Green

*"Night Life rocked our wedding! I just wanted to write a note saying how pleased we were with the band Night Life at our wedding! They got the party going and kept it going all night! (I don't even know if they ever took a break!) Everyone commented on how fun the band was, and a bunch of people even asked for their name! Thank you so much for making our wedding a hit!"*
